

# ASEAN Future Logistics 2025

## Empowering ASEAN Connectivity: Logistics for Inclusive and Sustainable Growth

ASEAN Future Logistics 2025, held in conjunction with the ASEAN Investment Forum 2025, highlights logistics as the backbone of ASEAN's economic integration, social inclusivity, and sustainability. Join policymakers, industry leaders, and innovators to explore logistics corridors, digital freight, halal logistics, and green supply chains shaping ASEAN's future.

### Friday, 24 October 2025

## Programme

### Session 1 – Building Seamless ASEAN Logistics Corridors

- Infrastructure Development
- Regulatory Harmonization

### Session 2 – Halal Logistics: Is Malaysia Ready to Lead?

Malaysia's strategic positioning to become the global halal logistics hub, leveraging its established halal certification framework and geographic advantages within the world's largest Muslim consumer market.

### Session 3 – Green Freight & Smart Fleets: Decarbonising ASEAN Logistics

ESG adoption in trucking, port electrification, rail freight, and green fuels.

### Session 4 – Digital Freight Networks: Platforms & AI Routing

Exploring cutting-edge platforms and AI routing systems that revolutionize cargo movement through real-time tracking, automated documentation, and predictive analytics for supply chain optimization

### Session 5 - Beyond Borders: Strengthening ASEAN Connectivity through BIMP-EAGA

Strengthening ASEAN connectivity through the Brunei Darussalam-Indonesia-Malaysia-Philippines East ASEAN Growth Area (BIMP-EAGA) framework
